Internet

We're a "click" away for online ordering ease, 24/7!

Visit us at
www.unicor.gov/bop

Phone

Fill out an order form, have your government credit card ready, and call us.

Order toll-free!
(800) 827-3168

FAX

Fax your order form and include all charge card information to:
(859) 254-9048

Mail

Mail your completed order form to:
UNICOR
Customer Service Center
P.O. Box 13640
Lexington, KY 40583-3640

Of course, you can use a standard government purchase order for any item in this catalog.

Customer Service

For information about products, prices, or to request catalogs, call the UNICOR Customer Service Center at (800) 827-3168, Monday - Friday, 7:30 a.m. to 5:45 p.m. E.T., or leave a message at other times.

MATTRESSES

Vent-Sealed Mattress

Tamper-Proof, Seamless Mattress - Ideal for Institutional Use

Pillow (All-In-One)

- integrated within mattress
- reversible-both sides of mattress to promote longer wear
- designed to reduce neck and back fatigue
- eliminates need for separate pillow and pillowcase

Durability

- RF welded seams are fluid-proof and prevent tampering
- easily cleaned and disinfected
- bi-elastic stretchable urethane/knit cover is moisture vapor impermeable and wipeable for comfort and cleaning ease
- densified polyester core wicks away moisture and resists compression
- urethane/knit cover will not crack like vinyl mattress ticking

Special Features

- breathable-in and out valve
- abrasion resistant
- breathable, stretchable, conforming material
- pocket style construction
- turned edge construction - all seams are inside mattress
- fluid resistant - blood, water, urine, oils, etc.
- can be used without sheet/cover
- zero thread seams to break or hide contraband
- easily searched to reduce security risks

Flammability

- fire retardant
- passes California CAL TB 129
- passes California BFD-IX II

RF welded seams are fluid-proof and tamper-resistant

2. Place 2-digit color code at end of stock number.

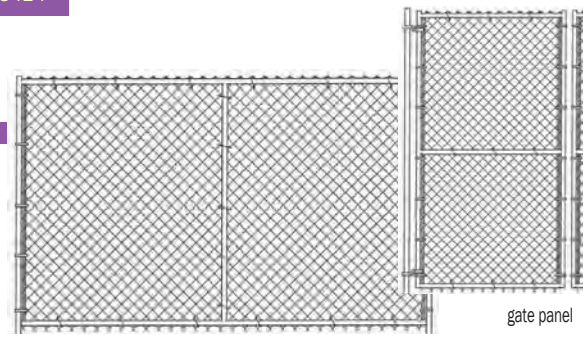
TEMPORARY SECURITY FENCE PANELS

Security fence panels provide immediate, temporary perimeter protection. Easy to install, portable and easily modified, they are ideal for construction sites, restricted areas, crowd control, equipment security, sporting events, emergency protection, utility repair, building access, etc. Solid welded panels include easily connected security posts. Panels attach with two clamps, and are portable and durable. Easily installed—no digging or drilling! Each end stands securely on 6” x 24” metal plates, so no concrete is required.

UNICOR’s fencing program can address all your security needs. We manufacture a full line of fencing including ornamental, chain link and security panels, and we can provide installation services for temporary or permanent fence applications.



gate panel

ACCESSORIES

stacking racks (SST3100)

Pallet Stacking Racks

- stack together for instant forklift-ready storage, then nest neatly together when not needed, taking up very little floor space
- wood pallets can be forked right on the racks or the entire rack can be used as a pallet
- available in 13 models in 3000 pound and 4000 pound load capacities
- units are made of tube steel in a rigid post and brace structure to provide maximum strength with minimum weight
- color coding identifies size and load capacity

FOR MORE INFORMATION, CALL (202) 305-3424

Traffic Signs **10 item maximum per stock number*

Traffic control signs are manufactured on engineer grade retro-reflective sheeting on aluminum stock. All signs are manufactured to comply with federal traffic sign code specifications.

To see the full line of traffic signs available through UNICOR/FPI, download CATI1000_C from unicor.gov.

FILTRATION SERVICES

UNICOR is a one-stop resource for your total filtration needs. We have the right solution to help you achieve and maintain clean, quality air in:

- airports
- auditoriums
- maintenance facilities
- hospitals
- museums
- office buildings

Extended Pleated Air Filters

- pleated air filters are widely used as pre-filters for higher efficiency filters or as final filters
- used as a pre-filter, these medium efficient filters substantially extend the life of more expensive high efficiency filters
- used as a final filter, these filters are up to 2-1/2 times more efficient than conventional filters
- 100% synthetic pleated design offers greater dust holding capacity and longer life (generally, the deeper the pleats, the longer the filter will last between changes)
- enclosed in a heavy-duty, moisture resistant die cut frame that will not crack, warp,or distort under normal operating conditions
- pleated media is nonwoven, 100% synthetic engineered media, reinforced with galvanized expanded metal
- UL Classified for flammability only: Class 2 (R12347)

Standard capacity air filters feature:

- average atmospheric efficiency of 20% - 25% (RIDGE A 52.1 1992)
- 150˚F max. temperature
- 100% synthetic media, engineered for consistency
- priced individually; sold in full cartons

HOW TO BUILD A STOCK NUMBER FOR CAFÉ TABLES:

1. Select Fiberglass Seat Color:
   - G Dove Gray
   - S Sand
   - B Black
2. Select Laminate Finish:
   - L Lt. Oak
   - G Dove Gray
3. Place seat color and laminate finish codes at end of stock number.

Other laminate color finishes and game table tops for cards, checkers, chess and backgammon are available. For quotes, please call (202) 305-3424

UNICOR RYTHYM TABLES, LEG STYLE B

RYTHYM TABLES feature a cherry laminate top with 3mm PVC edges. The edge and base color are in black finish. Color swatches are shown below.

Rectangular Table, Folding Leg, B1F Base

Round Table, Fixed Leg, B1X and B2X Base

Rymthy Table Edge, 3mm Edge, 1 ¼" PVC

Leg (Style B)

UNICOR Rythym Table Standard Features:

- cherry laminate surface
- predrilled for locating fixed-leg base
- folding leg models in T base style have locking mechanism (fully assembled)
- standard 29" height
- solid bar construction
- 3mm edge detail
- adjustable nylon glides won't mar tile or vinyl flooring

Note: Glides can be removed in carpeted settings; self-leveling glides are also available

UNICOR Rythym Table Specifications:

PEDESTAL BASE TABLE

- employs 14-ga. tubular steel components in fixed and folding models; folding series features slotted top stringer with locking mechanism; fixed table column welded to solid steel plate; table tops have laminate patterns with 3mm PVC edges

BASES

- built of 1 ¾" round tubular steel; adjustable glides are secured to the legs; double trestle bar and longitudinal angle rail frame furnished with folding table

TABLE SURFACES

- 1 ¼" thick consisting of solid core high-density particleboard

POWDER COATED FINISH

- epoxy powder coating is electrostatically applied; all metal components

Bronze

Stainless steel

- foam seals are lightweight and delivered ready to install for either interior or exterior applications
- ready to hang with pre-formed keyhole slot and mounting hardware
- cleaning instructions included

Note: Oversized seals may require special installation depending upon the installation or application

Flags

Flags with the BOP or UNICOR logo are available in two sizes. They are made of weather-resistant nylon, come in various colors, and can be screen printed to your specifications.

- flags for indoor use include a sleeve to fit the flag pole
- flags for outside use come with grommet holes
- specify when ordering: 3' X 5' or 4' X 6'

DESCRIPTION	SIZE	PRICE
BOP - Indoor/Ceremonial Flag	(3' x 5')	ǂ
BOP - Ext./Full-scale Flag	(4' x 6')	ǂ
UNICOR - Indoor/Ceremonial Flag	(3' x 5')	ǂ
UNICOR - Ext./Full-scale Flag	(4' x 6')	ǂ

Backdrop Curtain

Create a stage with our screen-printed bureau seal background curtain. Available in navy blue with a white BOP Seal, or with a cream color BOP Seal, we'll custom size to fit your space. Made of washable 50/50 polyester and cotton blend, it has nicely finished pinch pleats and is ready to hang with drapery hooks.

To order or for more information, contact USP Atlanta at (404) 635-5525

Tableskirt

This Velcro attached table cover and skirt is available in navy blue and choice of a cream or white screen-printed Bureau Seal.

- available in standard size 30" x 72" or custom made to fit any size table

To order or for more information, contact USP Atlanta at (404) 635-5525

ǂ Prices available at www.unicor.gov, or call (800) 827-3168.

DECALS

Decals

UNICOR offers custom police vehicle identification decals made to your agency specification. Decals are pressure sensitive and easily applied to any clean surface. Decals can be produced from your original artwork or we can custom design artwork for a minimum charge. You will receive a sample for approval before your order is printed. For a quote, fax your request to (817) 782-4753.

SIGNAGE PROGRAM

Informational Signs

Signs not offered among our standard stock offerings can be fabricated to your specifications. They can even be produced in foreign languages, as long as you provide the necessary text and/or symbols.

Interior/Exterior Architectural Signs

Our wide range of standard signs facilitates the selection of a basic model or customized message to meet your needs. Design and installation services can also be provided upon request. See the UNICOR Architectural Signage Catalog for a complete listing of our offerings or visit www.unicor.gov.

Note: All UNICOR signs comply, as required, with the Americans with Disabilities Act (ADA). Where applicable, raised letters and Grade 2 Braille are used.

For Ordering Information & Technical Assistance for products call: (805) 735-6213

CHANGEABLE INSERT SIGNAGE

UNICOR 2/90 - Changeable Insert Signage

One of the most popular types of interior signs is the changeable insert. Our acrylic plastic signs feature easy-to-use inserts sized to your specifications. They are available with rounded or square corners in 12 popular colors (other colors available at extra cost), and can be ordered with various mounting options.

For Ordering Information & Technical Assistance for UNICOR 2/90 products call: (817-782-4753 or visit www.unicor.gov

CARRIERS & VESTS

Quality Is Built Into Every Vest

Your protective vest can be the difference between life and death. We take the manufacture of these garments very seriously, and have stringent quality assurance performance measures in place from arrival of the fabric in the factory through the shipment of your completed vest.

Fabric is shipped and received under strict security conditions, and certificates of fabric conformance accompany all deliveries. The fabric is tagged and subsequently followed throughout the production process.

All materials are cut using a pattern certified by the UNICOR quality assurance manager and factory manager. A factory supervisor ensures that each piece of material is cut properly. Throughout the sewing process, quality assurance checks are made and documented.

Every vest must pass a final inspection before it leaves the factory, and each step of the packaging process is closely scrutinized.

Your Choice of High Grade Ballistic Materials

Kevlar® vests are made of Kevlar® KM2, a tough synthetic aramid fiber that, for its weight, is five times stronger than steel. An aramid fiber is a high strength, low stretch material. It is flame resistant, will not melt, and has been treated to be water repellent. When woven as fabric it becomes virtually impenetrable, providing unsurpassed protection against gunshot wounds. It can minimize injuries from falls, explosions, automobile accidents and fires, yet is comfortable and easy to wear.

K-Flex®/T-Flex™ is a unidirectional, 0°/90°-oriented non-woven fabric with high-performance fiber materials. K-Flex®/T-Flex® is fifth generation body armor material which produces panels 25%–40% lighter than the lightest aramid panels currently in the markerplace. Each layer weighs no more than 0.04 lbs. per square foot. K-Flex®/T-Flex™ incorporates Kevlar® fibers which are hermetically sealed as the material is produced. Materials are unaffected by persperaion and other wetness. Also, K-Flex®/T-Flex™ is not susceptible to performance degradation from heat, unlike polyethylene-based ballistic materials.

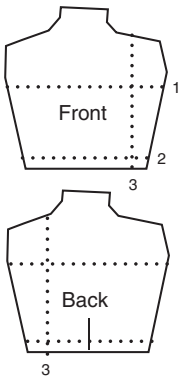
UNICOR manufactures body armor at two levels of protection: Threat Level II and Threat Level IIIA. Both meet the National Institute of Justice (NIJ) Standard 0101.03. Concealable body armor for everyday wear is designed to protect against low and medium energy handguns.

Measuring Procedures & Sizing Chart for Inner Ballistics Carrier

(please print)

Body Armor Measurements Name_____

	Record Measurements Here
Step #1	Chest
Step #2	Waist
Step #3	Over Shoulder



Follow Steps One, Two, and Three and record information in blocks at left.

1. Measure the chest diameter and record in Block #1.
2. Measure the waist diameter 1" above the belt and record in Block #2.
3. Measure from the front top of belt over the shoulder to the back top of belt and record in Block #3.

A copy of this sizing chart must accompany each individual Body Armor Vest or Carrier order to ensure proper fit.

UNICOR will calculate the appropriate size Vest or Carrier, as determined by your individual measurements. Call the Factory Manager at FCI Yazoo City, MS, telephone (662) 751-4800 ext 5674, if you have any questions about measuring.

CARRIERS

Ballistic Nylon Carriers in Blue or Black

These superb UNICOR carriers are constructed of 100% breathable nylon for a comfortable fit.

F.B.I. studies indicate that about one third of the felonious fatalities that occurred from 1980 to 1992 might have been prevented by soft, concealable body armor. Our goal is to make your body armor as comfortable as possible.

Standard Features

- made for both over and under the shirt wear
- ballistic panels can be inserted with any type carrier of the same size

For Body Armor fitting, see the Measuring Procedures & Sizing Chart on page 31.

RETIREMENT PLAQUE CITATIONS

Citation 1

For outstanding service in the Federal Bureau of Prisons. Your able leadership and devotion to duty in critical and highly specialized tasks constituted a valuable contribution to the standards of correctional programs. Your personal qualities personify the principle of justice for all and have been significant in the correction of those committed to our care. On behalf of your friends and associates, I present this evidence of our affection and esteem.

Citation 2

In recognition of a distinguished career in the Federal Bureau of Prisons. Through your dedication and devotion to the philosophy and concepts of our service, your example and precepts, your outstanding personal leadership and managerial ability, you have contributed immeasurably to the devotion of high standards of correctional programs. On behalf of your friends and associates, I present this evidence of our affection and esteem.

Citation 3

In recognition of and appreciation for loyal and faithful service. Your dedication and devotion to the ideals and objectives of the Federal Bureau of Prisons contributed much toward the building of the service to the position of world leadership in Corrections which it enjoys today. On behalf of your associates and many friends, I am happy to present this token of our affection and esteem on this occasion of your retirement.

Citation 4

In recognition of and appreciation for loyal and faithful service. Your dedication and devotion to the ideals and objectives of the Federal Bureau of Prisons have played an integral role in maintaining the Bureau as a leader in the field of corrections. You should be proud of what you have accomplished during your entire Federal career. On behalf of your associates and many friends, I am happy to present this token of our affection and esteem on this occasion of your retirement.

FLEET MANAGEMENT/VEHICULAR COMPONENTS

With facilities strategically placed throughout the country, UNICOR's Fleet Management/ Vehicular Components offerings provide innovative, cost-effective options to get the most from your equipment at a fraction of the replacement cost. Since we began offering our upfitting & remanufacturing services to the Federal Government, we've grown into a highly technical operation with a tradition of delivering quality products at significant savings. We can customize our services to meet your needs. Ask us about your specific requirements at www.unicor.gov/fleet.

REMANUFACTURED VEHICLE COMPONENTS

We remanufacture wheeled vehicle platforms and their components for the U.S. Armed Forces. Complete remanufacture of engines (all sizes), transmissions, starters, alternators/regulators and many others to OEM specs. Tactical wheeled vehicles such as Humvee, most variants of all trailers, 5-ton truck series, and many more receive our expert attention through ASE certified mechanics.

NEW VEHICLE SERVICES

UNICOR offers custom vehicle retrofitting, upfitting of new vehicles and manufacturing of custom components. Current production lines include complete law enforcement packages for Border Patrol sedans, pickup trucks and sport utility vehicles. Custom components include grill guards, cargo barriers, computer mounts, window security screens, rear security doors and rear deck lights, to name a few.

FLEET MANAGEMENT SERVICES

Through a commercial partnership with Maximus, UNICOR is able to offer customers the latest technology to maintain fleet operation. Our internet-based reporting system features procurement tracking, asset management, bar coding, workflow and personnel management, plus a fully integrated fuel management system. We custom-configure all packages to meet your specific operational needs.

Call the Fleet Management/Vehicular Components Marketing Representative at (202)353-2666.

RECYCLING

UNICOR's Recycling component is responding to the Federal Government's electronics challenge.

In lieu of continued abandonment and destruction, UNICOR's e-Waste program provides an environmentally sound way to recycle electronics scrap in a cost-competitive manner on a nationwide basis. This full-service recycling program is an integrated part of the Federal Government's e-scrap solution.

Processing methods begin with receiving, testing, asset tag removal, auditing, and documenting the equipment per agency requirements. UNICOR adheres to strict data security and integrity measures with high-level DoD wiping procedures of all hard drives. Additionally, all equipment is inspected for CD-rom and floppies with personal or classified data.

UNICOR's Recycling operations also helps "repurpose" the lives of individuals who have taken the wrong path in life, while recycling materials in ISO-9001:2000 and International Association of Electronics Recyclers IAER certified facilities.

Call Todd Baldau at (202) 353-2091 for more information about UNICOR's e-Waste program and about donating your electronics equipment.

Ordering Information

Call us!

Call the Customer Service Center at (800) 827-3168. Because UNICOR's mission is to employ inmates and provide self-improvement opportunities, it is necessary for us to take appropriate security measures when it comes to credit card ordering. Therefore, we ask you to please use the address and fax number below when placing credit card orders.

Fax/Mail Us!

Fax or mail your Credit Card orders to:

UNICOR Customer Service Center
P.O. Box 13640
Lexington, KY 40583-3640

Please note: Items in this catalog may be purchased with a government credit card. For information about orders, catalogs, etc., call (800) 827-3168.

Prices Include Shipping

Shipping costs are included in the price of most items in this catalog. The freight charge outside the contiguous United States will be based on freight rates at the time of delivery. Call (800) 827-3168 for rates.

Remember! UNICOR Wants to Be Your Preferred Source

UNICOR... Your Number One Source

UNICOR is the trade name for Federal Prison Industries, Inc., a wholly owned government corporation established in 1934 as part of the federal prison system. Since its beginning, UNICOR has been a unique corporation. While its primary mission is to train, educate and employ inmates, the benefits to you are high-quality products and services at competitive prices. UNICOR receives no congressional appropriations for its operations.
