WELCOME TO YOUR NATIONAL FORESTS

As a visitor to the National Forests, you must follow certain rule to protect the forest and the natural environment, and to ensure your health and safety. So follow these reminders:

Sanitation

Dispose of garbage and litter in containers provided for this purpose or take it with you.

Garbage containers, when provided, are reserved for visitors to the National Forest, not for visitors or owners of private lands adjacent.

Bury human waste and other wastes away from drinking water supplies. Use water faucets for drawing water only.

Prevent pollution—keep garbage, litter and foreign substances out of lakes, streams, and other waters.

Use toilets, outhouses, or other sanitary facilities. Wash dishes, or other foreign substances in toilets and plumbing fixtures.

Operation of Vehicles

Obey all traffic signs. (Note traffic lanes apply to the National Forest unless otherwise specified.)

When operating vehicles of any kind, do not damage the land or vegetation, or disturb wildlife. Avoid driving on unpaved wet roads or trails.

Within campgrounds and other recreation sites, use only roads and parking areas. Do not drive cross-country, only for entering or leaving, unless areas or trails are specifically marked for them. Park only in marked parking areas.

For the safety and convenience of others, please do not block, restrict, or interfere with the use of roads or trails.

Operate trail bikes and other off-road vehicles to avoid damage to the forest. Obey area and trail restrictions on such use.

Campfires

Obey restrictions on fires. Fires may be limited or prohibited at certain times.

Within campgrounds and other recreation sites, build fires only in fire rings, stoves, grills, or fireplaces provided for that purpose.

Keep flammable materials away from campfires.

YOU ARE RESPONSIBLE FOR KEEPING FIRES UNDER CONTROL.
Be sure your fire is completely extinguished before leaving.

Camping

Use period stay, swimming beaches, and other day use areas for recreation purposes. Do not use as a campsite.

Campgrounds and other recreation sites can be used only for recreation purposes. Permanent use or use as a personal residence without authorization is not allowed.

In campgrounds, camp only in those places specifically marked or provided.

At least one person must occupy a camping site within 24 hours after it is occupied or it may be taken set up. Unless permission has otherwise been granted by the Forest Ranger.

Camping equipment cannot be left unattended for more than 24 hours without permission by the Forest Ranger. The Federal Government is not responsible for any loss or damage to personal property.

Remove all personal property and trash when leaving.

You must pay a fee to use certain developed sites and facilities. Such areas are clearly signed or posted as requiring a fee.

Where fees are required, they must be paid before using the site, facility, equipment, or service furnished.

Property

Do not carve, chop, cut, or damage any live trees.

Preserve and protect your National Forests. Leave everything as you find it for others.

Buildings, structures, or enclosed areas in National Forests may be entered only when expressly opened to the public.

BE CAREFULE Look out for natural hazards and gets when you are in the forest. If you hike off trails or into remote areas, tell someone where you are. BE OWN RISK. You are primarily responsible for your own safety.

By following these reminders, your outdoor recreation experience should prove rewarding and other visitors will likewise enjoy their visit to the National Forest.

Regional Foresters and Forest Supervisors may issue orders which close or restrict the use of certain areas when the need arises. These orders will be posted so as to reasonably bring them to the attention of National Forest visitors. Copies of these orders are also available in Forest Supervisor and District Ranger Offices.
