Product Delivery and Pricing

We take both FOB Origin and FOB Destination orders. All products are shipped via ground transportation.

On FOB Origin orders, title/product-responsibility passes to the customer at the time of shipment. You may arrange your own transportation on FOB Origin orders, coordinating with FPI accordingly. Otherwise, your order will be shipped by common carrier at your expense.

On FOB Destination orders, title/ product-responsibility passes to the customer upon delivery to the dock of the designated point-of-delivery.

Freight charges are included in the product prices listed in the FOB Destination column of this price list.

Product Warranty

UNICOR guarantees all furniture products will be free from defects in materials and workmanship. If at any time an item we have provided does not meet your expectations, we will repair or replace it at our expense.

While our product warranty covers our seating product, itself, to be free of defects in materials and workman- ship, it does not apply to COM/COL textiles supplied by others. It does, however, apply to any and all upholstery textiles supplied by UNICOR (see Life Expectancy, inside front cover).

FABRIC AND FINISH INFORMATION

UNICOR Upholstery Fabrics

We offer an extensive selection of fabrics for upholstering our seating products. Each upholstery collection has a pricing structure. UNICOR has 6 fabric pricing groups, which reflect the pricing grade.

Standard Fabric Collection (Group 1 Pricing)

Our Standard Fabric Program (Group 1) can be used for all UNICOR seating items, regardless of your order volume. It offers a selection of solids and patterns, with leather upholstery options. This program includes 50 patterns in an array of colorways. (see page 7 for details)

Customers Own Material

At your request, we will upholster UNICOR seating product with your materials. You may use and specify Customers Own Material (COM), or Customers Own Leather (COL). However, we require a 12" x 12" actual sample for evaluation. The fabric width and vertical/horizontal fabric repeat(s) must be annotated along with the pattern/color name and number on this sample. Please forward it with your purchase order.

COM/COL Material Acceptance

UNICOR reserves the right to reject COM/COL if we do not consider it suitable for application as specified. Also, FPI acceptance of COM/COL materials does not in any way relieve the textile suppliers of the COM/COL goods of responsibility. They shall remain responsible for color consistency within commercial tolerances, UV stability, and resistance to perspiration and other soiling.

COM/COL Quantity Requirements

Yardage requirements listed in this price list are only for 54" wide, plain goods. For 54" wide goods having pattern repeats, use the following percentage increases to determine the yardage amount needed. (For fabrics less than 54" wide, contact the Customer Service Center for assistance.)

2" - 10" repeat = 10%

11" - 20" repeat = 15%

Over 20" repeat = 25%

All COM materials must be supplied in continuous yardage. Multiple yardage cuts will not be accepted without prior written exception/ approval by FPI Customer Service.

COL materials must be supplied in a minimum of 55 square feet per hide, with a minimum yield 80%.

FABRIC AND FINISH INFORMATION

Treated COM/COL Materials

COM/COL materials requiring treatment, such as Scotchgard or acrylic backing may shrink during processing. Please instruct the fabric supplier to remeasure after processing, to assure adequate yardage is shipped for your order.

Excess or Canceled COM/COL

UNICOR will dispose of leftover COM/COL material when your seating product is shipped, unless your order instructs us to ship any excess with your finished goods.

If you cancel an order for which we have received COM/COL material, it is your responsibility to arrange for pick-up of these goods. In addition, this must be done in a timely manner, and you must notify us accordingly. UNICOR does not otherwise assume any responsibility for their return.

Shipping COM/COL Materials

Your COM/COL goods must be shipped, freight prepaid, to the FPI factory assigned your order. Contact the Customer Service Center for this factory assignment and address. Ship the goods sidemarked on the outside of the package with 1) Customer Name; 2) Customer Agency; 3) Your Purchase Order Number with FPI; 4) Fabric Name/ Number on our Purchase Order; and 5) Yardage Amount.

COM/COL Pricing and Delivery

Pricing for our seating products to be upholstered in COM/COL is the same as pricing for our Standard Fabric Program fabrics and leathers.

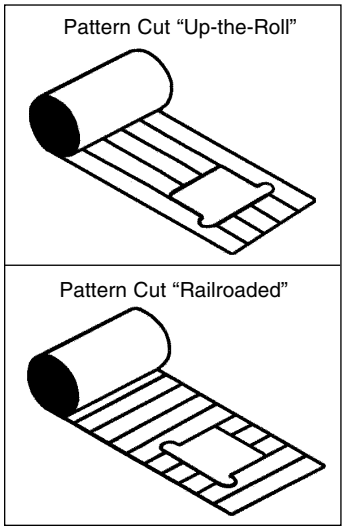
The due date for the delivery of a COM/COL order is based on the date your purchase order indicates the upholstery goods will be received by us, as your initial order acknowledgment will confirm. However, if we receive your COM/COL goods after such date, we will revise your seating order delivery date, and send you written notification accordingly.

COM/COL Purchase and Payment

Ordering and payment of COM/COL goods are the responsibility of the customer for all standard orders. The same is true for volume orders unless other arrangements are made with us. For volume orders, upon request, we will consider purchase of such fabric via an FPI textiles contractor. In such instance, however, you may be asked to provide a written purchase justification. Contact the Customer Service Center for more information.

Upholstery Fabric Application

We will apply upholstery fabrics in standard (up-the-roll) application or railroaded as indicated below.



UNICOR procedures for determining which of the two above upholstery applications to use are as follows.

1) UNICOR fabrics will be applied as shown in our fabric samples, unless specified otherwise on your order.
2) If our fabric sample does not indicate the fabric is shown railroaded (as most do not), we will apply the fabric up-the-roll unless your order states “Railroad Fabric”.
3) If our fabric sample indicates the fabric is shown railroaded, we will apply the fabric railroaded (as shown in the sample) unless your order state “Do Not Railroad Fabric”, in which case we’ll apply it up-the-roll.
4) All COM fabric will be applied up-the-roll unless your purchase order states “Railroad Fabric”.

Seating Remanufacturing

Seating product returns for fabric or fabric application changes will incur charges for additional freight and remanufacturing/reupholstering costs.

Please contact the Customer Service Center if you require a larger/memo fabric sample, or a “first-article review” agreement to approve a product prior to our filling your order.

Seating Product Finishes

Photographic finish samples for our seating products (wood, metal and plastics) are on the inside back cover of the Overture catalog. We have taken great care to accurately reproduce these finishes. However, there may be variations between the photographic and actual finishes.

Also, finished products may vary slightly. We cannot assure an exact piece-to-piece match due to certain variations in raw materials such as wood. Actual wood finish samples are available through the UNICOR Customer Service Center.
