THREE RIVERS, TX

FPI Three Rivers: Vehicle Upfit for Mission Success

The Federal Prison Industries (FPI) Three Rivers, TX, facility provides mission-ready vehicles to the Department of Homeland Security, and the Bureau of Immigration and Customs Enforcement. Our factory comprises 29,000 square feet, with a satellite operation of approximately 7,000 square feet. We also have a warehouse where we receive and store raw materials. With 15 civilian staff members and more than 300 inmate employees, FPI Three Rivers was able to upfit and ship 420 vehicles during 2003, including vans, buses, utility trucks, trailers, sedans, pickups and more.

We currently have five van upfit packages and four bus packages, all designed for maximum security. The cargo vans are available in Short and XL series with security insert cages; passenger vans are upfitted with security screens and other accessories. All buses are manufactured by Thomas and Blue Bird and can accommodate 22-45 passengers. All security packages are designed and installed at Three Rivers.

Top-of-the-line Machine Shop and Equipment

With a sophisticated, modern machine shop, FPI Three Rivers is able to make specialized products on-site, allowing us to more efficiently respond to the needs of our customers. The machine shop is stocked with various types of equipment, including:

- Welders
- Plasma cutters
- Sanders
- Lathes
- Milling machines
- Shears

FLEET MANAGEMENT SERVICES VEHICLE MAINTENANCE TRACKING

A strong partnership between FPI and Maximus means that our customers have access to the latest technology to maintain their fleet operations. This internet-based reporting system features procurement tracking, asset management bar codes for auto input, workflow and personnel management, plus a fully integrated fuel management system. All packages are custom configured to meet your specific operational needs.

CERTIFICATIONS

FPI Three Rivers is ISO9001: 2000 certification pending. Our Quality Assurance department is dedicated to ensuring the complete satisfaction of our customers, every step of the way.

LOCATION

FPI Three Rivers is located midway between San Antonio, Texas and Corpus Christi, Texas, approximately one hour from each.
