"We've Got You Covered"

UNICOR

Clothing and Textiles
Business Group

UNICOR offers custom draperies and bedspreads in a wide selection of fabrics and styles. This means you can match your decor or color scheme. Whether you need draperies or bedspreads for one office or an entire building, UNICOR's custom drapery service will assist you in every way, from fabric and hardware selection, through installation.

We make it easy and convenient. A UNICOR partner of **your choice** will come to your office to measure your windows. They will show you fabric swatches and hardware samples, and you can take advantage of this free service to receive professional assistance with the selection of styles, colors and fabrics to suit any office or dormitory environment.

UNICOR means "Quality Plus." We start with quality draperies that exceed industry standards, with double three inch hems and matching pattern repeats when specified, so your draperies look and fit properly. You will also find the "fullness factor" in UNICOR draperies - you get a full measure of fabric to go across your windows - there is no skimping on fabric with UNICOR draperies.

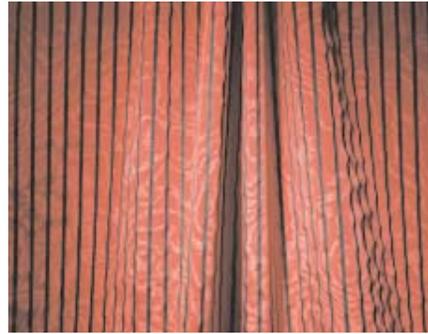

We can work with you on long-range budget planning, so there is no need to wait until construction is completed to start thinking about your drapery order or requirements.

If you need berth curtains, UNICOR has a complete line of standard size and special order curtains. We specialize in cubicle curtains for any and all of your requirements.

Learn how UNICOR can enhance your office decor and quarters with fresh designs. Our factory in Dublin, California strives to ensure that your drapes are produced and installed to your complete satisfaction.
