Your order acknowledgment indicates a due date when your products will arrive. In the event your products are manufactured earlier than scheduled, we will ship them upon completion, providing that your purchase order states "Early Shipments Authorized".

Order Modifications

Modification to your purchase order will be accepted up to 8 weeks prior to the due date indicated on your order acknowledgment. However, if the revision results in a change in product availability, a new due date may be set by UNICOR. Such due date adjustment may be for your full purchase order, whether or not the specifications of all line-items on it are modified. All purchase order modifications are acknowledged in writing, including the annotation of any adjusted due date(s).

Standard Lead Time

Typical lead time for Symphony product delivery is 60 days after receipt of your order.

Product Delivery and Pricing

We take both FOB Origin and FOB Destination orders. All products are shipped via surface transportation. On FOB Origin orders, title/product-responsibility passes to the customer at the time of shipment. You may arrange your own transportation on FOB Origin orders, coordinating with FPI accordingly. Otherwise, your order will be shipped by common carrier at your expense.

On FOB Destination orders, title/product-responsibility passes to the customer upon delivery to the dock of the designated point-of-delivery. Freight charges are included in the product prices listed in the FOB Destination column of this price list. Contact the Customer Service Center for destination prices where none are given. Such destination pricing for delivery outside the continental U.S. must be negotiated based on the freight rates at the time of shipment.

Services, such as space-planning/design, storage, inside-delivery and installation are not in this price list. Contact the Customer Service Center for such service-fee quotations.

Product Pricing Discount

The volume discount for per single purchase order is as follows:

\$25,000 thru \$200,000 = 2%

Over \$200,000 = 5%

Discounts do not apply to design, storage, inside-delivery or installation services. They apply to case-goods and seating as priced in this

Symphony price list only, and cannot be combined with other FPI discounts or special promotions.

Special Packaging

Standard packaging varies per individual product. UNICOR will accommodate your special packaging requests, however, an upcharge may apply. Contact the Customer Service Center for more information.

Shipment Claims

UNICOR products are packed to comply with carrier requirements. All shipments should be inspected by the consignee before acceptance.

The delivering carrier should be requested to record any damage or shortage of items shipped. If any shortages are discovered, please also notify UNICOR Customer Service Center immediately.

Shipping damage and shortage claims must be filed with the carrier within 15 days of delivery. This applies to both FOB Destination and FOB Origin shipments. Carrier liability ends after 15 days for shipping damages or shortages.

Concealed Damage Claims

Claims for concealed damages must be filed with the carrier within 15 days after the delivery of goods. This applies to both FOB Destination and FOB Origin shipments. Carrier liability ends after 15 days for concealed damages.

Neither UNICOR nor the carrier will be responsible for concealed damages if shipments are left unopened and/or claims are not filed within 15 days.

TERMS AND CONDITIONS

Product Storage

If necessary, UNICOR will store products at the factory at no expense to you for a period not to exceed 30 days. However, such storage is predicated on the availability of our warehouse space at the time of need.

Customer-Delayed Deliveries

Please notify the Customer Service Center at least 2 weeks prior to the confirmed due date when you cannot receive delivery of goods by that scheduled date. We will delay the delivery at your request. However, after 30 days of such delay, you will be invoiced for the subject products whether or not delivery is extended beyond this first 30 days.

UNICOR may allow up to 2 weeks for shipping. Therefore, if you do not request delayed delivery at least 2 weeks prior to the confirmed due date for arrival of your shipment, we may incur additional handling costs.

UNICOR will bill you for such handling costs if you refuse receipt of the goods, or request delayed shipment in less than 2 weeks prior to the due date on your order acknowledgment.

Product Returns

All product returns must be coordinated in advance with the Customer Service Center. Additionally, all freight or express service charges must be prepaid on return shipments.

Product returns may be subject to your being invoiced for additional handling/restocking fees.

UNICOR will determine and notify you of such charges upon receipt and inspection of the returned goods.
