**A Medical Assistant's Trousers**  
 White cotton/polyester blend, durable press trousers that stand up under heavy wear. These pants feature a clasp waist closure with a zipper fly and belt loops. They have two side pockets and two rear pockets, one with a button. The pants also have a button inner closure to relieve stress on the clasp and zipper. Meets DOD specifications.

## B Lab Coat

The classic lab coat of white cotton drill, an extremely durable fabric that stands up to frequent laundering. Machine washable fabric meets standards of (CID) A-A-55123A. Constructed with flat-feld seams for added strength, the coat features two deep side pockets with through slits for easy access to trouser pockets along with a single breast pocket with two pen holders and a four button front closure.

### S Boxsprings

Boxsprings are available for all UNICOR's mattresses. ▲

## Draperies

UNICOR, in partnership with selected national drapery companies, offers custom draperies and bedspreads in a wide selection of fabrics and styles. You choose the vendor who will:

- 1) assist you with your selection of fabrics, drapery style, and hardware
- 2) measure
- 3) return to install.

UNICOR's factory will provide the sewing and manufacturing to vendor specifications. The partners offering these versatile services can accommodate overseas projects. With UNICOR's custom drapery service you can match existing or complement drapes to any decor or color scheme. Whether for one room or an entire building, UNICOR can assist you. Call (925) 833-7534 to arrange for a UNICOR partner representative to contact you. See the vendor list below.

Listed below are the commercial drapery vendors for your UNICOR drapery needs. Call our UNICOR factory at (925) 833-7534 to arrange a site visit from one of these select drapery companies.

## LINEN MANAGEMENT PARTNERSHIP

### Standard Textile Company, Inc.

UNICOR customers may receive Standard Textile Company's ControlTex® linen management system, a comprehensive consulting and software system designed to continually drive down linen system costs. A multidisciplined team of consulting experts provide on-site investigative analysis and establish process improvement programs. The ControlTex® WIN software application package provides programs to monitor, track, and report on the facility's linen usage and total system cost. The system includes distribution point and facility billing reports, multiple system capabilities, perpetual inventory, export and e-mail features, as well as on-screen viewing graphs. The program supports remote data collection devices and can be used as a stand-alone or networked system. For more information about this linen management system, contact (202) 305-3994.

#### × VA Logo Blanket

This VA logo blanket was produced as part of the Standard Textile partnership. This product is a thermal blanket that will keep you nice and warm. Contains 86% cotton and 14% polyester.

Stock No.	Color	Product	Size
TXFG1068	Blue	Blanket	74" x 94"

### UNICOR Laundry Service

Medical facilities and VA hospitals that are trying to outsource their laundry functions can turn to UNICOR for their hazardous laundry needs. UNICOR will launder all types of medical staff and patient clothing, bedding, gowns, and masks. Hazardous materials are accepted and processed independently from all other laundry. A pre-survey is done by hand to ensure no needles or other paraphernalia have been left in the laundry. Required disinfectants are used and special handling is provided. Sometimes pick-up and delivery are possible. All offer dry cleaning as well as repairs and embroidery, and some have walk-in service for contracted groups. Currently, three sites are available for this service. Contact the facility directly for contract information. For additional information about this service, contact one of the factories listed below.

Eglin, FL on the Eglin AFB (550) 729-8176

El Paso, TX on the Ft. Bliss Army base (915) 540-6155

Montgomery, AL on the Maxwell AFB (334) 293-5760

### Wayfinding Signage

UNICOR 2/90 is a modular sign system that can provide solutions for both interior and exterior applications. UNICOR 2/90 manufactures signs that will meet any health care need from a stand-alone clinic to an entire medical center. Request color brochure CATSSP100A or call 1-800-777-4310 to have one of our UNICOR System 2/90 professionals contact you.

### Y Prescription Barcode Labels

If you need prescription labels, look no further. We can give you price quotes and delivery schedules for any type or style of labels, including laminated and destructible labels. Call (859) 231-9829 for more information and pricing.
