MEMORANDUM FOR: Public Notice and Procurement File

FROM: Jennifer Cutshall, Contracting Officer

SUBJECT: GSA Limited Sources Justification

In accordance with FAR 8.405-6(a)(2) and (b)(1), UNICOR, Federal Prison Industries requests approval to procure a Ban-Air racking systems for its customer, Air National Guard, Fort Indiantown Gap, Annville, PA. Ban-Air Storage Solutions (dba ECL Solutions Limited) is a GSA-FSS vendor (GS-27F-0011J).

Ban-Air's racking and storage systems solutions are of a proprietary nature. It is unique in that it can be assembled and disassembled quickly, and is interchangeable, a feature that allows users to move and customize systems as material requirements dictate. ANG Annville currently has several Ban-Air storage systems in other building locations, and additional systems would allow ANG to mix and match the systems as needed. There are no other known storage systems on the market that allow this ease of use and capability for quick customization.

Purchase order DJU4500448868 was awarded per FAR 8.405-6, GSA Limited Sources Justification, Only one source capable. The Contracting Officer has determined that the circumstances above justify this limited sources acquisition.
