

New Tabletop Line Designed High-Security Food Service Operations

UNICOR/Federal Prison Industries (FPI) has introduced a line of high-quality, heavy-duty tabletop products specially designed for use in the most demanding, high-security food service operations.

The new line consists of:

- *A highly durable polycarbonate compartment food tray*
- *A virtually unbreakable polycarbonate 17-ounce tumbler*
- *Heavyweight polypropylene knives, forks and spoons*

Designed and Made for Demanding Food Service Environments

DELIVERED IN 3-5 BUSINESS DAYS

The new line was created in partnership with the Federal Bureau of Prisons (BOP) Food Service staff and in close consultation with the Correctional Services staff. The new tabletop products were selected to ensure compliance with industry standards for food service items and meet all BOP Food Service standards and requirements. *As a result, these new tabletop products are the only items approved for purchase.*

These professional-grade tabletop products are offered through the Electronics Business Group of Federal Prison Industries, which manufactures and supplies a wide range of quality products and services to government agencies, the military and private sector companies.

Designed by and for the BOP, which will use them everyday, these high-quality products offer value through superior durability and ease of use to help your food service operation run more smoothly and efficiently.

All Federal Prison Industries tabletop products are delivered to you within **3-5 business days**. This rapid response time means that you can carry lower inventories of tabletop items, **saving you storage space, time and money.**

FEDERAL PRISON INDUSTRIES offers:

- **Fast turnaround time:** We manage our inventory of tabletop items so that they can be delivered to you within 3-5 business days.
- **Products made to your specifications:** Compartment food trays were designed by BOP Food Service experts and passed rigorous tests for durability and long service under the most demanding conditions. Tumblers and flatware were carefully selected to meet or exceed BOP Food Service Specifications.
- **Outstanding cost-effectiveness:** Our convenient procurement process, high-quality durable products and rapid delivery produce overall savings in time, effort and money.

Stock#: FSTRAY01

SIX-COMPARTMENT FOOD TRAY

The polycarbonate compartment food trays passed or exceeded rigorous testing by an independent laboratory for durability under a wide range of conditions—prolonged exposure to boiling water, humidity, freezing temperatures, bleach and acids, as well as resistance to breakage, abrasion, chipping, denting and warping.

Because of their excellent design and construction of polycarbonate, one of the toughest plastics on the market, the food trays are virtually unbreakable, making them the perfect choice for correctional facilities.

Features:

- Made of polycarbonate
- Designed by BOP Food Service experts
- Dishwasher safe with stacking lugs for faster drying
- Measures 16 1/2 inches wide by 11 1/2 inches deep by 1 1/2 inches high
- Rounded edges for safer handling
- Six compartments for a greater variety of serving combinations, including cup holders
- Superior resistance to food acids, oils and stains
- Smooth surface and rounded interior for easier cleaning
- Almond color

TUMBLER

Tumblers are generously sized, offer flexibility for serving either hot or cold beverages and are virtually unbreakable.

Features:

- Made of polycarbonate
- Specified by BOP Food Service experts
- Ample 17-ounce capacity
- Dishwasher safe
- Accommodates both cold and hot beverages; stays cool to the touch for hot beverage service
- Lightweight, durable and shatterproof
- Pebbled texture provides slip-resistance and hides wear and tear
- Tapered sides for easy stacking and pulling apart
- Stain, chip and scratch resistant
- Translucent amber color

FSSPOON01

FLATWARE

Knives, forks and spoons are designed for repeated, heavy-duty use, and made of heavy-weight polypropylene as an added safety feature.

Features:

- Durable polypropylene standard-size flatware
- Specified by BOP Food Service experts
- Dishwasher safe
- Highly resistant to stains and breakage
- Knives have small serrated edges
- Spoons are shaped for use as both teaspoons and soup spoons, reducing flatware inventory
- Forks have four well-spaced tines for ease of use and cleaning
- Almond color

ALL DELIVERED IN 3-5 BUSINESS DAYS

Delivers Superior Service, Quality & Convenience

Federal Prison Industries, Electronics Business Group has over 60 years of experience in supplying critical products and services to the Federal Government. Due to our understanding of the government procurement process and the needs of correctional facilities, ordering from Federal Prison Industries is fast, easy and convenient.

Federal Prison Industries is noted for a level of rapid, accurate service, easy transactions and an attention to detail that is not available in the commercial marketplace. We have a long, successful history of meeting customer needs for specialized, timely and cost-effective services under the most demanding circumstances.

Products, quality and cost are competitive with, and very often superior to, similar items in the marketplace. All Federal Prison Industries products are 100% guaranteed for quality and performance.

Our tabletop products meet the standard design for food service trays, tumblers and flatware adopted by the BOP Executive Staff. They are the only such products approved for purchase.

We can deliver orders for tabletop food service products within 3-5 business days, a fast turnaround time that helps you rapidly address the needs of your operation while maintaining low inventory levels.
