

**PRINTING and BINDERY**  
**Our Words are Binding.**

State-of-the art operations, versatility, years of experience and expertise are our strengths. Whether you need one million printed envelopes, a short run of administrative forms, complex bindery services, or anything in-between, we're here for you. Our finished products meet or exceed customer expectations, given a 23-point quality check point system built into every order.

**Peace of Mind Service**

We pay close attention to every detail. From day one, your job is closely tracked to be sure you get the required results. Need a quote or on-site visit? Have a technical question? We're ready!

**Our Words are Binding!**

Our 23-point quality check system verifies image quality and specs in all phases of layout and printing to deliver flawless results. And we take "total customer satisfaction"

seriously. If a problem arises, it will be resolved promptly. From project managers to pressman, work is performed by skilled technicians and scrutinized under strict quality standards to meet the most demanding requirements.

### **Hassle-free Ordering**

Save time! Ordering from us means there's no need to go through the bid process which can tack on lengthy delays. And we're authorized by the Congressional Joint Committee on Printing (JCP) to provide printing services to the Federal Government.

### **Take a Closer Look**

#### *Pre-Press Services*

Be it digital or conventional services, we have proven expertise to support workflow from both MAC and PC platforms. We offer design services from concept to finish, or will be glad to use your completed files for output.

#### *Commercial Quality Conventional Printing*

We specialize in high quality commercial printing offer all manner of web and offset printing, from 3 1/2" x 5 1/2" labels, 4 1/2" x 5 1/2" note pads, and 40" targets, to 200+ page books. Our list of customers speaks for itself: the Department of Justice, General Services Administration, Small Business Administration and more.

#### *Nexpress Digital Printing*

The latest in digital printing technology! No film or plates required. Just supply your digital files and we will be glad to produce short runs of quality cost-conscious four color brochures.

#### *Envelope Printing*

Our Haim-Jet presses produce single and multi-color printing on standard and custom sized envelopes.

#### *Bindery*

We offer full service bindery. Our programmable cutters, folders and stitcher collator trimmers that handle the most elaborate collated material and books. We are also an authorized bindery services outsourcer to the commercial sector under our repatriation authority.
