UNICOR

It all adds up.

Everyone has a top ten list of something, but UNICOR wants you to know that we take our performance very seriously, and have been working hard to earn your business. So here are 10 of the very best reasons to purchase products and services from UNICOR.

10. SEVENTY YEARS OF EXPERIENCE.

We understand the product and service needs of Federal agencies. Our only focus is on the federal government and we back this commitment with a state of the art SAP manufacturing system and full technical product support.

9. SMALL BUSINESS SUPPORT.

You support America's small businesses when ordering from UNICOR. In a typical year, more than half of our procurement dollars go to small and small disadvantage businesses.

8. GOVERNMENT PROGRAM BONUS.

UNICOR is a pro-social government program that actually works. Plus, for every dollar spent on prison industry programs, taxpayers save \$6.20 in reduced criminal justice, incarceration, and crime victim costs.

7. PROJECT MANAGEMENT APPROACH & CAPACITY.

We utilize an innovative total solutions approach to small or large projects, from turnkey management to comprehensive storage and warehouse solutions. We stand ready to meet the challenge, and can customize, or ramp up production to achieve most any objective.

6. EASE OF CONTRACTING.

Order from a catalog, order from the web. Use our coast-to-coast hotline, pay with credit card or use purchase orders and contracts, MOUs, MOAs, or MIPRs – we do it your way.

5. CUSTOMER CARE.

We stand behind everything we sell and are committed to your total satisfaction, providing nationwide sales support and toll free telephone assistance.

4. GREAT VALUE.

We can meet or beat private sector pricing without a single dime of taxpayer money. When inmates work, so does our prison system, and that's real value.

3. PRODUCT PERFORMANCE.

It all starts with products that meet or exceed industry standards. We are your "zero risk" alternative – second to none in total customer satisfaction, and we have an escape proof warranty to prove it.

2. RESPONSIVE DELIVERY.

With real time online ordering, a variety of shipping choices, and delivery tracking, UNICOR will get you the products you need, when you need them.

1. MADE IN AMERICA.

In dozens of federal institutions throughout the country, our factories undergo the same performance testing as their private sector counterparts, to ensure that you get the very best quality American-made, environmentally-sensitive products.
