

Harmony Casegoods Spec Sheet

High-Pressure Laminate

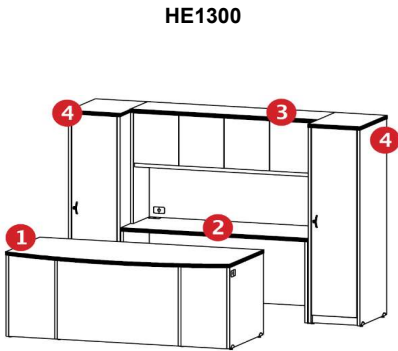

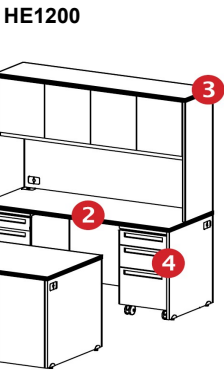

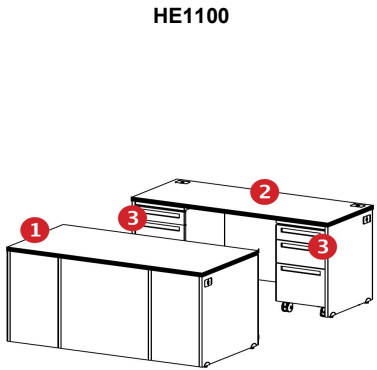

January 2025

Version 2.0

1000 Series Ensembles • Complete Configurations

HARMONY Product Features

- 32mm fabrication system assures precision construction and assembly
- Additional holes are drilled for field adjustment of shelf locations
- The high-pressure plastic laminate has a matte finish
- Black worksurface edge banding available in smooth or with ribbed edge profile
- All file drawers have locking mechanisms
- Grommets are installed for convenient wire routing on desks and credenzas
- Assembled furniture products meet or exceed BIFMA standards
- Laminates meet NEMA GP50 standards
- All weights are estimates

How to Order

Select the product number and then add the codes for the desired configuration. For Example:	
Product	HE3400L
Laminate Selection	AB
Hardware Selection	BN1
Trim Selection	BR
Product Order Code	
HE3400L AB BN1 BR	

- 32mm fabrication system assures precision construction and assembly
- Additional holes are drilled for field adjustment of shelf locations
- The high-pressure plastic laminate has a matte finish
- Black worksurface edge banding available in smooth or with ribbed edge profile
- All file drawers have locking mechanisms
- Grommets are installed for convenient wire routing on desks and credenzas
- Assembled furniture products meet or exceed BIFMA standards
- Laminates meet NEMA GP50 standards
- All weights are estimates

Mobile A/V Cart

Mobile Refreshment Center

Mail Sorter Cabinet

- 32mm fabrication system assures precision construction and assembly
- Additional holes are drilled for field adjustment of shelf locations
- The high-pressure plastic laminate has a matte finish
- Black worksurface edge banding available in smooth or with ribbed edge profile
- Assembled furniture products meet or exceed BIFMA standards
- Laminates meet NEMA GP50 standards

Mail Sorter:

- Mail Slots adjustable in 1.25" increments
