February 2025

Version 2.51

High-Pressure Laminate

TABLES

Integrate offers contract grade quality and durability all priced to fit your budget. Complementary, coordinating, or contrasting color schemes, choices of hardware, and built-in flexibility make Integrate an excellent choice for any office setting.

Extensive ergonomic seating solutions are also available to compliment this offering to complete one cohesive look.

With one of the best warranties in the industry, we stand behind everything we build.

Integrate proves you really can have it all!

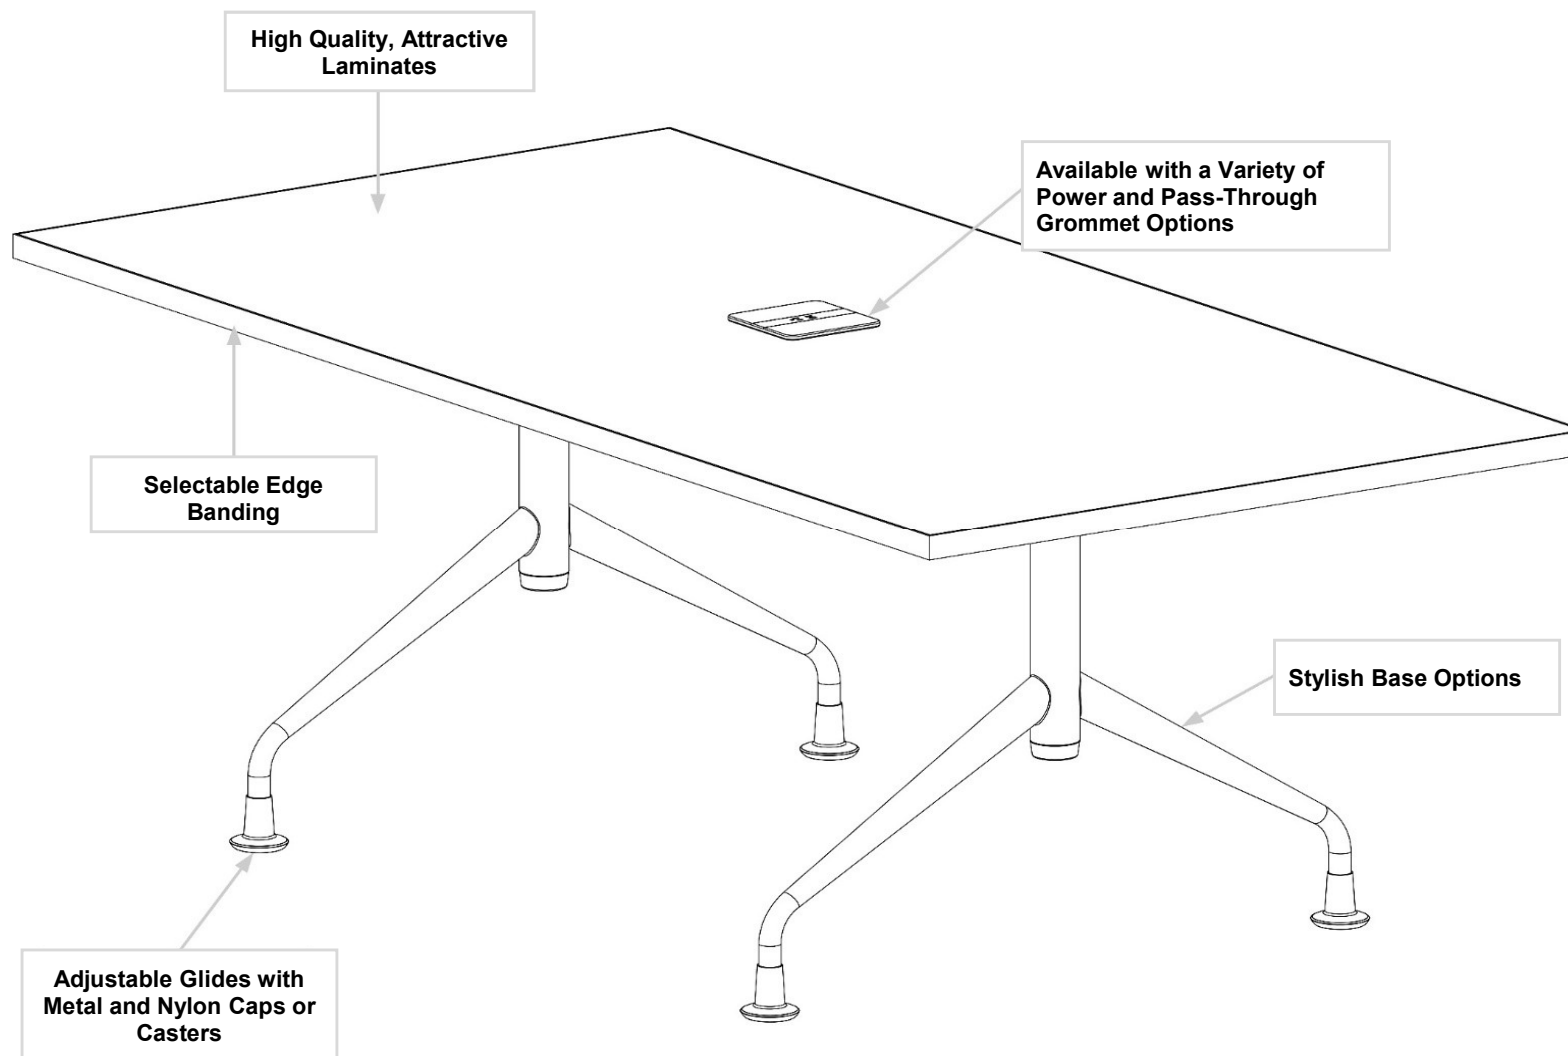

Price List Contents:

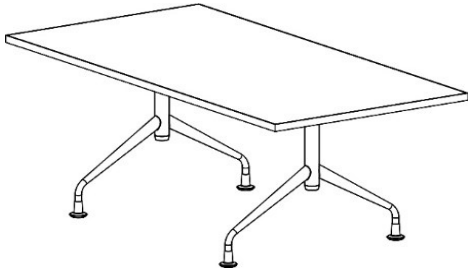

- Overview
- Standard Offering
- Accessories

With an upscale design tailored to create distinctive, functional work environments, Integrate tables offer you a myriad of choices to help you create a truly custom look.

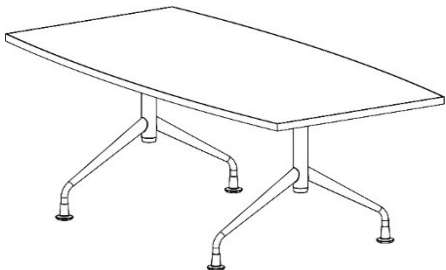

Integrate's distinctive design maximizes its flexibility.

A thin profile and fewer parts give this line a clean and modern aesthetic.

Rectangular w/ Manual Float Base

P-TOP w/ Manual Float Base
w/ Grommet

Round Adjustable Height Table

Square Adjustable Height Table

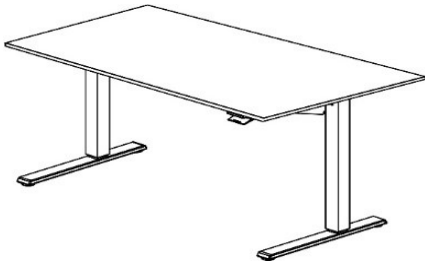

- Enables easy, one-hand counterbalance weight adjustment, and near-effortless height adjustment for ergonomic sit-stand usage through a unique counterbalance mechanism and weight indicator
- Neatly “floats” into position when its release is engaged for weightless adjustment without force
- Provides an impressive 20” of near-effortless height adjustment (from 28” to 48”)
- Supports up to 160 lb. (Including top)
- Sturdy base constructed of recyclable steel and aluminum; meets BIFMA load and capacity requirements
- Removable tension adjuster included

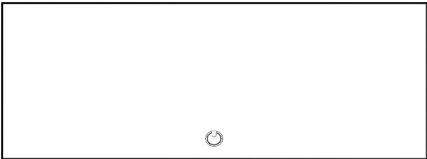

- Specs vary for Round and Square tables; Please see item-specific page for details

Rectangular Float w/ Next Base

Top View w/ Grommet Location

- Easy, one-hand counterbalance weight adjustment, and near-effortless height adjustment for ergonomic sit-stand usage through a unique counterbalance mechanism and weight indicator
- Neatly “floats” into position when its release is engaged for weightless adjustment without force
- Provides 20” of near-effortless height adjustment (from 28” to 48”)
- Supports up to 160 lb. (Including top)
- Sturdy base constructed of recyclable steel and aluminum; meets BIFMA load and capacity requirements
- Removable tension adjuster included
